

HI THERE!

HOW ARE YOU?

At Mundo de Niños Academy, our kids have been diving into the wonderful world of the **alphabet**, and they are loving it

From fun letter activities to songs and games, they are enthusiastically mastering each letter.

Stay tuned for more updates, tips, and highlights from their learning journey!

Learning the **alphabet** is essential for children as it helps build a strong foundation for language and literacy skills. By recognizing letters and their sounds, children develop early reading abilities and strengthen their vocabulary.

Alphabet activities also enhance fine motor skills and improve focus and memory, all while making learning fun. Starting early boosts confidence and sets the stage for future academic success!

SEPTEMBER 2024

WELCOME TO OUR BLOG

ACTIVITIES

We've enjoyed a variety of hands-on activities to help children learn the **alphabet**. From creating letters out of play-doh, decorating printed letters with pasta, to painting them in bright colors, the kids are engaged and excited.

We've also balanced indoor learning with outdoor play, ensuring they stay active.

These activities not only make learning fun but also improve fine motor skills, creativity, and hand-eye coordination, all while reinforcing letter recognition!

- We are thrilled to partner with Amara Foods, as we understand the importance of providing nutritious meals for our children. Use our exclusive code MDNAcademy at checkout for a special discount: [CLICK HERE FOR MORE!](#)
- September 28th! HAPPY BIRTHDAY TO EVELYN!
- DON'T FORGET! You can now reach us via text or call at our new phone number: (833) 984-2555. We're excited to connect with you more easily and efficiently!
